

MALAWI UNIVERSITY OF BUSINESS AND
APPLIED SCIENCES
Department of Electrical Engineering
City & Guilds Technician Programmes

The Department of Electrical Engineering is informing the general public that it will be offering the following City & Guilds technician programmes for the **January-June 2022** intake:

S/N	Name of Programme or Module	No. of Modules	Tuition Fees for Taught Modules (MK)
1.	Certificate in Electrical and Electronic Technology (E1)	5	150,000.00
2.	Diploma in Electrical and Electronic Engineering (E2)	6	168,000.00
3.	Advanced Technician Diploma in Electrical and Electronic Engineering – Part I (E3)	4	156,000.00
4.	Advanced Technician Diploma in Electrical and Electronic Engineering – Part II (E4)	5	156,000.00
5.	Advanced Technician Diploma in Electrical and Electronic Engineering - Engineering Project (E4) (Mandatory)	1	100,000.00

Entry Requirements:

- Minimum qualification for all levels is MSCE or equivalent with at least passes in Mathematics and Physical Science/General Science;
- Candidates with at least Level 2 Trade Test or equivalent or have sat for relevant Certificate level will join at Diploma; and
- Candidates with relevant Diploma or have sat for Diploma level will join at Advanced Diploma.

General Information:

- Candidates must complete both E3 and E4 levels including Engineering Project module for them to graduate with Advanced Technician Diploma in Electrical and Electronic Engineering;
- The tuition fee includes all the required **practical lessons**;
- Candidates will be required to pay examination fees to City & Guilds through Continuing Education Centre;
- All courses are offered during **weekdays** and are on **Non-Residential** basis;
- Duration for each level is **6 months** and candidates shall sit for exams early June 2022; and
- Female candidates are encouraged to apply.

Note:

After graduating with Advanced Diploma and attaining a minimum of two years working experience, candidates with relevant MSCE credits have the opportunity to apply for entry into the MUBAS Bachelors (hons) degree in the Electrical Engineering Department as mature entry students.

Registration is now in progress (MUBAS Main Campus, School of Engineering, office No. E314 or office No. E313) and classes will commence on **10 January 2022**. For collection of registration forms and more information contact:
